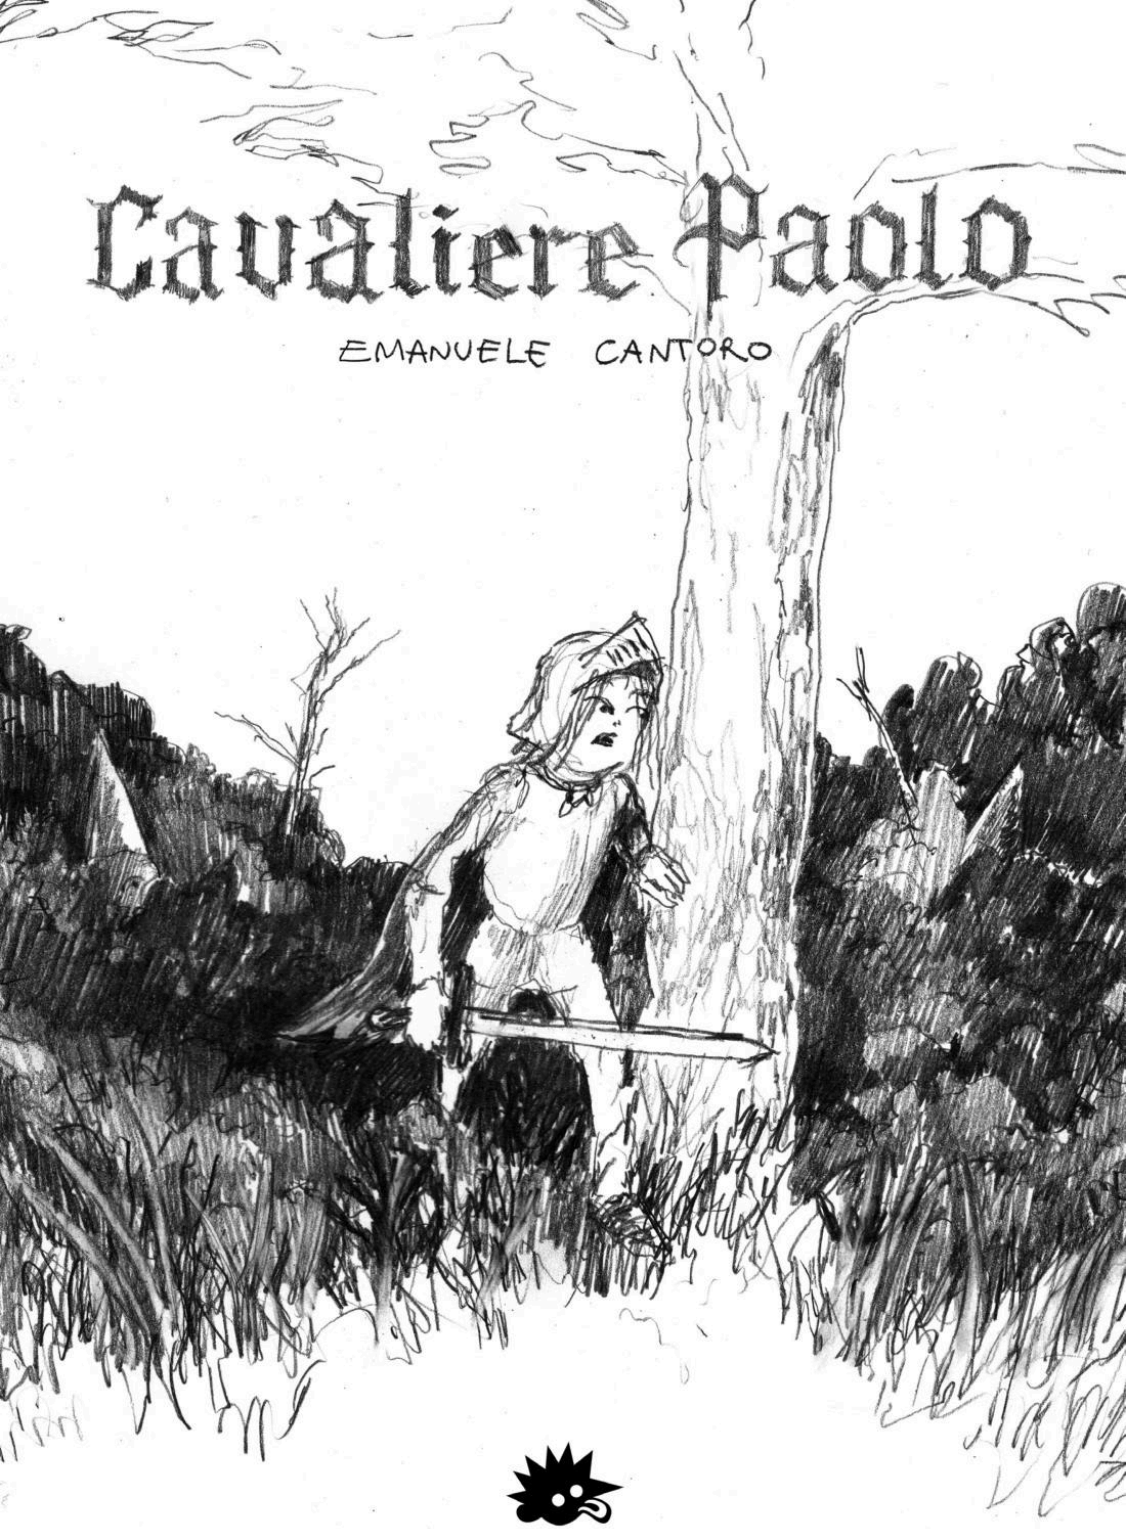
Cavaliere Paolo

EMANUELE CANTORO



Tony Pess - archaeologist- anthropologist- a friend of mine / After the 2022 catastrophe|calamity, the world population, decimated, began to reorganize itself in the (remaining) spaces. / The new communities|populations took shape when people began to regroup|group together by emotional affinities. / The fearful went to live all together, far from the sea, hidden by woods and mountains, in the middle of the continents.

DIFFICILE DIRE, INVECE, CHE I PREPOTENTI VIVESSERO INSIEME. AVARI DI POTERE DIVENNERO PRESTO NOMADI IN CERCA DI ALTRI POPOLI DA SOTTOMETTERE E GOVERNARE, POICHE' ASSOLUTAMENTE NON IN GRADO DI ORGANIZZARSI E DI RISPETTARSI.

Hard to say, however, that the bullies lived together. Greedy with power they soon became nomads in search of other peoples to subjugate and rule over, since they were utterly incapable of organizing and respecting themselves.

MOLTI ERANO ANCHE I COMEVAVA'.
LORO QUASI IGNORAVANO LA CATASTROFE
E LA DECADENZA CHE LI CIRCONDAVA.
RIMASERO A VIVERE LÌ DOVE SI TROVAVANO
AL MOMENTO DEL DISASTRO, A FAR
FINTA DI NIENTE, SPERANDO CHE
PRIMA O POI SAREBBE ARRIVATO
QUALCUNO A CAMBIARE LE COSE.

Many were the ItIsHowItIs, almost unaware of the catastrophe and the decadence surrounding them, they remained to live where they were at the time of the disaster, pretending nothing had happened, hoping that sooner or later somebody would have come to change things.

Ex... / Excuse me? / Uh? / Go ahead! / To...Uptherefort? / Hold on! / You gonna have to ask my hubby for that

Babe! To Upthereforti? / Yo... / Guess what... / Up there!

CAVALIERE PAOLO FU MANDATO DAL RE
A RIPORTARE PACE E TRANQUILLITA' A
ROCCADISOPRA, O QUANTOMENO A
TENERE LA SITUAZIONE SOTTO CONTROLLO.

Up there he says! / Th-thanks... / The King sent Knight Paolo to restore peace and tranquility to Uptherefort, or at least, to keep the situation under control.

Recently, has settled there a magician, the wizard O' Mud, a bully who spread terror among the natives with his magic.

Shiiii / It's raining / What a big storm! / Well...guess I'm studying tonight...

How to look like a real magician

Wow! / What? / What's my name again? / Google! / That's right! / We're at the fucking gas station! / You could have just asked me first, we would have already been there, or at least we could have slept in a better place!

Hey Google, goodnight. / Goodnight.
